Chinese Immersion After School Program

课后中文沉浸教学

Open to ALL grade levels.

Chinese language lessons and academic enrichment activities teach children language, writing, culture...all while having fun!

Daily language immersion in a fun, interactive after school environment that enhances student's speaking, listening, understanding, reading and writing skills in Mandarin Chinese.

Excellent complement to "Weekend Chinese School" classes:

- Reinforce Chinese language, reading and writing retention.
- Supervised learning environment with native Chinese

Located on school premises so students have flexibility to participate in other after school clubs, classes, etc.
